FIVE-FINGER PRAYER

Another way to help kids spend time talking to God is the five-finger prayer. One hand serves as a reminder of special people to pray for.

The RING finger is the weakest finger. Pray for those who are weak, sick, or need help.

RING

The MIDDLE is the tallest finger. Pray for people in authority of government, business, and the church.

MIDDLE

The POINTER finger gives directions. Pray for people who point the way. These are teachers, coaches, doctors, and first responders.

POINTER

The PINKY is the smallest finger. Pray for yourself and your own needs.

THUMB

The THUMB is the finger closest to you. Pray for the people you are closest to your heart – your friends and family.
